SAVE THE TIMPERLEY WEDGE

Your local green belt is under serious threat and you only have until the 18th March to make your views heard.

Once your greenbelt is gone, it will be gone forever.

Please can you spread this information widely. Many in our local community are not aware of proposals to develop 2,400 homes and more on YOUR green belt.

Is this the thin end of the Wedge..... how much more green belt are we going to lose? Have a say on YOUR green belt!

There are proposals to build on and destroy the very little green belt that we have.

This is the final green space between us and Manchester Airport.

It's serious, very serious and these are the lungs we have to curb pollution!

Your precious wild life will be wiped out your green space lost. Sports pitches could be lost forever. Visit thewellgreen.org.uk Please take time and find out more.
